Policy

Angaston Agricultural Bureau (AAB) and its Subsidiary, Barossa Improved Grazing Group (BIGG) are committed to achieving a high level of pro-active Work Health and Safety (WHS) management.

To facilitate this, we have implemented a system designed to provide and maintain, so far as is reasonably practicable:

- a safe working environment;
- safe systems of work; and,
- plant and substances in a safe condition,

for workers and others, in accordance with legislative requirements.

Key elements of the Hazard Management system are;

- WHS Hazard Management Procedure
- WHS Incident Reporting & Investigation Procedure
- WHS Workplace Inspection Procedure
- WHS Plant Procedure

We will regularly review, in consultation with our workers, their representatives and subject area experts, as necessary:

- The effectiveness of this policy and supporting procedures to identify opportunities for continuous improvement;
- Adherence to this policy and the supporting procedures and take appropriate action where non-compliances are found.

Responsibilities

Management are accountable for ensuring adequate resources are identified and provided to enact this policy and supporting procedures effectively.

Managers are accountable for:

- Bringing this policy and supporting procedures to the attention of affected personnel and confirm through their supervisory activities that the policies and procedures are adhered to.
- Checking that workers have had appropriate training to undertake the activities identified within this policy and supporting procedures.

All workers and contractors are accountable for adhering to the requirements of this policy and supporting procedures and reporting any inability to do so to management at the earliest opportunity.
